

Harbour Challenge ?

In the winter the Islanders and staff use an amphibious craft to get on and off the Mount.
How long is our amphibious craft, the St Michael?
Find the information boards for the answer.

In the past up to 300 people lived on the Mount when it was a busy trading port.

How many people live on the Mount today?

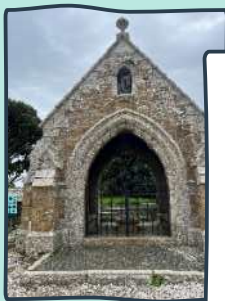

Discover the timeline in the Barge House to find the answer.

Enjoy the art in the Steward's House, but how many paintings contain boats?
Look very carefully!

How did you do?

Add up your numbers. Check with a Guide.

The lych gate to the cemetery was built in memory of Sir Edward St Aubyn and his wife in 1889.

Look closely to discover how many children they had.

The Victorians upcycled cannons from the Island and created boat moorings.

How many are there around the harbour?
